

HALIFAX HEALTH - HOSPICE

Walk of Honor & Memorial Gardens

Our purpose is to make
precious time more meaningful.

At Halifax Health - Hospice we believe a person's life should be cherished and celebrated. Since 1979, our approach to end-of-life care has been to provide a serene environment where our patients can live out their final days in the comforting embrace of family and friends.

At our Care Centers in Port Orange, Ormond Beach, West Volusia and Southeast Volusia, patients receive loving, personalized care from an expert team of nurses, physicians, nursing assistants, chaplains, social workers and volunteers. Our private patient suites provide a home-like atmosphere where family, friends and even pets can stay comfortably overnight.

By contributing to Halifax Health - Hospice Walk of Honor & Memorial Gardens, you're creating a lasting tribute to your loved one while helping Halifax Health - Hospice provide care to everyone in need of our services. Remember a life. Cherish a moment. Touch the lives of others.

Memories of your loved one will live with you forever, and now you can celebrate those memories in a way that makes the world a more beautiful place. The Walk of Honor & Memorial Gardens are a highlight of each Halifax Health - Hospice. Located in Port Orange, Ormond Beach, Orange City and Edgewater, Florida, the Walk of Honor & Memorial Gardens feature a brick path winding through lush, professionally-designed gardens filled with flowers, fountains and secluded sitting areas shaded by native Florida trees. The Walk of Honor & Memorial Gardens are not only a perfect setting for a peaceful moment with loved ones, but a wonderful setting for a lasting tribute.

When you donate an engraved brick for a walkway or bronze plaque in our peaceful garden, you can think of it as a living memorial to your loved one or use it to commemorate a special milestone like a birthday or anniversary. Your gift supports the work of Halifax Health - Hospice.
