\$73.4 million

## Halifax Health has served as the leading provider of healthcare in our community for over 90 years. Let's take a closer look at the benefits.

### Service to Uninsured Patients = \$56.1 million

The health system spent more than **\$56.1 million** in fiscal year 2020 (FY20) to care for patients who were under- or uninsured.

### Physician Services = \$8.4 million

The medical staff at Halifax Health consists of more than 500 area physicians, representing over 56 medical subspecialties who serve our community's healthcare needs.

### Preventive Health Services = \$0.5 million

Through local clinics and programs such as Florida KidCare, Halifax Health contributed **\$0.5 million** to preventive health services in FY20.

### Trauma Services = \$6 million

Halifax Health operates the only Trauma Center in the area. This means that trained professionals including trauma surgeons, specialists and staff are available 24 hours a day, seven days a week, to care for the area's most emergent healthcare needs. In FY20, Halifax Health spent **\$6 million** to maintain its promise to the community that no matter the emergency, the Trauma Center at Halifax Health is here to serve.

### Neonatal and Pediatric Intensive Care Units = \$0.4 million

The area's only 24-hour Level III Neonatal Intensive Care Unit and the only Pediatric Intensive Care Unit are located at Halifax Health. These services guarantee 24-hour care for babies and children in our community.

### Child and Adolescent Behavioral Services = \$1.9 million

Halifax Health - Behavioral Services is the only organization of its kind in the area. Halifax Health contributed **\$1.9 million** in FY20 to provide Psychiatric and Psychological services to children and adolescents, as well as individual, family and group counseling.

### Total Benefit to the Community = \$73.4 million

During FY20, Halifax Health provided abundant benefits to the community resulting in a total contribution equal to **\$73.4 million**.
